LAKEN

F3624-PBR

TROY LIGHTING

Designed to make an impact on large ceilings, Laken features a voluminous architectural shade. The artisanal jute-wrap technique gives the fixture its rich texture and warm color variance. Inside, a pinwheel cluster of lights emits powerful illumination. Laken is finished with Patina Brass metalwork, adding an antiqued quality that complements the rustic nature of the jute.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
