

# CRYSTORAMA LIGHTING

ASSEMBLY INSTRUCTION MODEL #BGT-330-SG-GR

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 4 -Candelabra Base Bulb

40 Watts Recommended 60 Watts Max.

USE LED BULBS FOR EXTENDED USE

THIS FIXTURE IS DAMP RATED

## How to install

1. Place the frame on the foam block used for packaging. Ensure the foam block is covered with the pearl wrap to prevent the frame from being scratched during the installation of the glass leaves. See the illustration on the next page.
2. Starting from the bottom of the frame, assemble the glass leaves onto the frame using the screwdriver following the stickers on the frame. Please do not overtighten the screws in order to prevent the glass from breaking.
3. Slide the collar ring, glass dish, and canopy over the center stem in that order. Then attach the mounting strap to the center stem.
4. Raise the light cluster kit up over the outlet box and install the mounting strap onto the outlet box.
5. Do the wire connections and secure the canopy and glass dish with the collar ring.
6. Install recommended bulb onto the socket.
7. Raise the frame over the bottom of the light cluster and secure with the nut. Put the metal cap over the bottom of frame and secure it.
