

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Determine the desired height at which the pendant will be installed and select the stems.
4. Thread the wire through the stems (4). Connect the stems together and install them on the nipple (5), with the longer stems installed on the nipple (5) and the shorter stems closer to the canopy.
5. Connect the stems (4) to the loop (3).
6. Refer to the additional installation instructions included with the product for wiring and installation.
7. Connect the wire as Fig.1.
8. Install the canopy (1) to the ceiling using the countersunk screw (2).
9. Install the Metal shade (7) on the socket (6) and secure with the socket ring (8).
10. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
11. Restore power to the installation point and retain this sheet for future reference.
