

BRISA

B2417-SWH

Inspired by Brancusi's totem sculptures, Brisa is a boldly geometric wall sconce with lots of personality. Creating visual tension, the soft, undulating shape of the outer edges contrasts with the hard, crisp ridge at the front of the shade. Behind each of the convex curves is dedicated LED which further emphasizes the rhythmic pattern of the fixture. Available in two sizes in a Natural Paper with a Soft White Finish.
