

MIELA

PFL1564-FOR/CBF

A totem-style design with rhythmic energy, Miela conceptually aligns with folk art aesthetics. Incised spheres reminiscent of carved wood are modeled from Black Motif Ceramic, resulting in a striking, polished appearance. Miela is further enhanced by an oversized pull chain and frame finished in Forged Iron. The off-white linen shade introduces a clean point of contrast. Part of our Loft and Thought collection. *Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
